Re: Registration Information for Participating Schools

The **Southeast Worlds of Work** Education Committee is working to schedule dates and times for schools to attend Southeast WOW on February 20 or 21, 2019 at the National Peanut Festival Fair Grounds in Dothan. All schools must complete the information included in the registration form for your school to ensure that the logistics and operations flow smoothly when your school arrives.

Visit SoutheastWOW.org/Schools, or [click here](#), to fill the form out online. **All registrations must be completed online this year. All school registration must be submitted no later than Friday, November 16, 2018.**

If you have any questions, please contact Amanda Hardy – Education Committee Co-Chair at Schools@SoutheastWOW.org or (334) 796-7785.

IMPORTANT NOTE: After the registration deadline passes, each school will be assigned a date and time for your school to attend the event. Please do not make travel plans or notify the school CNP Director until your school receives the official notice of your specific school's scheduled date and time. **The goal is to have all school notices out by mid-December so each school can begin preparing.**
