Southeast Worlds of Work is scheduling dates and times for schools to attend the event on February 19 *or* 20, 2020 at the National Peanut Festival Fair Grounds in Dothan. All schools must complete the registration form to ensure logistics and operations flow smoothly upon your arrival.

Visit SoutheastWOW.org/Schools, or [click here](#), to fill the form out. **All school registrations must be submitted no later than Friday, November 15, 2019.**

If you have any questions, please contact Amanda Hardy – Education Committee Co-Chair at Schools@SoutheastWOW.org or (334) 796-7785.

IMPORTANT NOTE: After the registration deadline passes, each school will be assigned a date and time to attend. Do not make travel plans or notify the school CNP Director until your school receives the official notice of your specific scheduled date and time. **The goal is to have all notices out by mid-December to begin preparing.**
